*** Bonus 1: ALL IN BUY ALERT: AN INVESTOR'S GUIDE TO THE CORD-CUTTING REVOLUTION (\$24.90 value)**

While streaming services like Netflix, HBO Max, and Disney+ get a lot of the highlights and attention when it comes to a new streaming economy, we think this wave is creating a big opportunity for some of our favorite companies.

*** Bonus 2: 5G ON THE LAUNCH PAD (\$24.90 value)**

An investor's guide to this once-in-a-lifetime business disruption. This technology could be worth \$17 trillion by the year 2035 and is a game-changer. If there's one stock for the coming 5G boom, this could be it.

*** Bonus 3: AI DISRUPTION PLAYBOOK (\$33.20 value)**

This \$19 trillion market could be "bigger than the internet," "worth 35 Amazons," and create the "world's first trillionaire."

*** Bonus 4: ONE STOCK FOR THE CANNABIS BOOM (\$8.30 value)**

The backdoor play into marijuana investing. This "Amazon of Canada" pot stock could be like buying Amazon for \$3.19 a share.

*** Bonus 5: 3 STOCKS THAT ARE TAKING ON THE BOOMING AV MARKET (\$24.90 value)**

Autonomous vehicles are here, and they are about to become a massive market – some estimate \$7 trillion by 2050. While major auto manufacturers might stand to make a profit if they can get their ducks in a row, we think a few unexpected tech companies are already in a position to take over...

*** Bonus 6: 4 STOCKS FOR THE DIGITAL PAYMENTS REVOLUTION (\$33.20 Value)**

People are leaving their wallets at home in China, and the trend is starting to make its way across the globe. Here are four stocks we think will benefit from this revolution that's still flying under the radar in the U.S.

*** Bonus 7: THE NEXT AMAZON.COM (\$41.50 Value)**

While it feels like Amazon is conquering the world, the reality is we're still in the early innings of a massive shift to online shopping. Our team of analysts believe Amazon is just first among dozens of huge winners in the e-commerce space, and we've identified one we think could be the next Amazon, plus four additional e-commerce stocks to buy.
